SEPTEMBER DONATION FOCUS

Eden's Joy is NEW care ministry focused for our RInggold and Gc3 families. Eden's Joy helps provides personalized gift baskets to individuals and families celebrating the birth of a child or walking through a difficult season when life hits hard.

This ministry exists to ensure that no family in our community walks through life's hardest moments alone. Through practical gifts, encouragement, and the compassion of our church family, we help people feel seen, loved, supported, and remembered. Why? Because we can't do life alone.

Eden's Joy serves families experiencing:

The birth of a child
Pregnancy loss
Loss of a family member
Life-limiting diagnoses
Major surgeries
Serious medical challenges
Other unexpected hardships
