

Christmas on the Peninsula

In the style of Classical Christmas Tradition

Board Opportunity

Gain board experience and support a Christian non-profit, *Christmas on the Peninsula Society*, by volunteering on our Board of Directors.

Since 2009, we have been blessed with support from over 50 organisations, including local churches. Every November, we share the Christmas Story with South Surrey / White Rock residents and visitors through various activities, including a Parade as a visible testimony.

We are formed under the BC *Societies Act* and have a working board. We are looking for:

- People with professional and business experience willing to share their knowledge, skills, and energy to provide oversight and support to the Society.
- Estimated time contribution is one hour per week including a monthly 60-90 minute board meeting and some operational tasks.
- Board terms are one year, and we are asking directors to commit for three terms. We would like to elect one or two new directors at our May 2026 AGM and more board seats will open up over the coming years as current directors retire from the Board.

Board Responsibilities:

We hold both governance and operational responsibilities.

- Governance responsibilities including decision making, setting policy, approving budgets, and oversight of the Society's operations.
- Operational tasks such as promotions, fundraising and volunteer management.

Interested? Contact our Board President, Liv Butow before April 22nd at Liv@butow.com for any questions about the role, or to find out how to put your name forward for nomination to the Board.
