BOOK REVIEWS

As a learning community in the Evangelical Free Church of Canada, we are interested in taking advantage of the insights, challenges, and encouragement that can be found in some great books that have been written recently. With the amount of great material available, no one person can keep up! So here you will find a collection of book reviews and recommendations from a variety of Free Church leaders. We keep adding to this list. We hope this will help you a little bit with your personal learning and equipping for ministry!
