FAITH2FINISH

Q **What is the purpose of the Faith2Finish capital campaign?**

A The purpose of **Faith2Finish** is to eliminate the remaining debt from Central's recent construction project, which has been funded over 60% by our first capital campaign, **Made4More**. This would allow the church to move forward financially unencumbered and positioned for future ministry impact.

Q **What is the "why" behind the Faith2Finish capital campaign?**

A **Faith2Finish** exists to steward what God has already provided by finishing what was started, freeing up future resources for ministry instead of debt, and positioning Central for greater Kingdom impact.

Q **Why are there 3 goals for the Faith2Finish capital campaign?**

A The first goal ($2.2M) is to eliminate debt. The additional two goals ($2.5M and $2.8M) exist to future-proof our ministry budget by addressing deferred maintenance and preparing aging spaces for continued effective ministry.
